MEMORANDUM FOR: Deputy Director for Administration

FROM:

Deputy Director of Central Intelligence

SUBJECT:

Senior Officer Development Course

- 1. The Office of Training and Education will conduct the second Senior Officer Development Course (SODC) this fall. The course will begin on 13 September and run through 11 December 1981.
- 2. As the SODC is designed to be the preparatory educational experience for those moving into the Senior Intelligence Service, the criteria for selection must be strict. Nominees should be GS-15s who were assigned a Comparative Evaluation Descriptor Category I or II in the last ranking. The number of reserved spaces for the Directorate of Administration is five; additionally, I am asking that you nominate two alternate officers who meet these criteria so that they may be enrolled if original nominees are subsequently withdrawn.
- 3. In order that the individuals selected for this course are able to undertake the necessary preliminary reading and other precourse work, I am requesting that your nominees and alternates be identified to the Director of Training and Education by 3 August 1981.
- 4. I am enthusiastic about this program in intelligence education. Your previous support is appreciated, and I am sure that you agree that the program's continued success and long-range value to the Agency will depend directly upon the quality and potential of the people we select to attend.
